Moving Forward

Over the coming year, we look forward to reopening our indoor dining room, bringing back many community activities, and having our clinic open for its full hours.

We will also:

- ▶ **Maintain the expanded community meals program**, providing three times as many meals now.
- ▶ **Continue and expand the Grocery Delivery program**, which will soon add 6 new routes and additional households.
- ▶ **Increase our Food Pantry groceries** to a full two weeks of food each month, including more produce, milk, and other perishable staples.
